- Invited back to KKR following strong performance as a previous intern, demonstrating proven analytical, communication, and leadership skills.

Kohlberg Kravis & Roberts

Dublin, Ireland

Global Client Solutions Intern

June 2023 – Aug 2024

- Produced in-depth credit fund performance reports from a wide range diverse data sources, delivering key metrics and analytical insights to prospective and existing investors.
- Drove operational efficiency by automating Excel workflows and integrating UpSlide, significantly reducing data preparation time and enhancing reporting accuracy.
- Presented regular progress updates to senior management and cross-functional teams, showcasing problem-solving approaches and strategic solutions for complex projects.
- Coordinated Leveraged Credit RFPs and DDQs, consolidating multi-source data to meet stringent investor timelines and requirements.
- Developed new quarterly reporting templates in collaboration with product and research teams, streamlining interdepartmental processes and improving the timeliness of deliverables.
- Resolved ad hoc queries from investors and internal stakeholders, demonstrating adaptability, a solutions-oriented mindset, and the ability to communicate complex information clearly.
- Led the onboarding and training of four new interns, acting as the primary point of contact for the Leveraged Credit reporting team during a managerial transition.

LEADERSHIP

DCU Raising and Giving

Dublin, Ireland

Events Team

March 2022 – March 2025

- Organised fundraising events totaling over €30,000, including three charity boxing matches that generated over €20,000
- Coordinated diverse volunteering initiatives, such as local school football coaching and a retirees' knitting club that sold products to support charitable causes
